EPDs Current as of 12/6/23

SCC Heifers

These bred heifers are the top commercial heifers from our 2022 calf crop. The selection process to become a SCC heifer is not easy, heifers must be born early in the calving season, be out of a cow that has a great udder, good feet and brings in a good one every fall. This year SCC is offering a total of 15 bred heifers.

We are offering 7 pure bred Angus heifers AI'ed to industry leading sires. All AI heifers were bred in a 3 day window, making an approximate due date of February 4. The remaining 8 pure bred Angus heifers were exposed to KG Justified 0143, a SCC calving ease bull, for only 30 days and have an approximate calving start date of February 21.

Any of these 15 heifers are eligible to have registration papers transferred for \$150/head fee. Transfer request must be made within 1 year of purchase. Registration information is available upon request.

SCC heifers are on a full mineral program, scour vaccine program, have passed a pre-breeding exam, including a pelvic check and are on a Modified Live Lepto/Vibrio vaccination program. Heifers will sell buyers choice of 1 head up to 15 head. Up to date ultrasound preg information will be available at the sale.

Any questions about SCC heifers can be directed to Mike Schneider at 515-491-6980.

McAndrews Heifers

Steve McAndrews is a loyal customer of SCC genetics and will offer a top set of 12 commercial bred heifers.

A SCC calving ease bull was turned out May 15 with an approximate start date of February 21. Ultrasound information will be available sale day. McAndrews heifers passed a pre-breeding exam including pelvic check and all heifers are on a scour vaccine and Modified Live Lepto/Vibrio vaccination program.

Up to date preg information will be available the day of the sale and heifers will sell buyers choice of 1 head up to 12 head. Any questions on the McAndrews heifers should be directed to Steve McAndrews at 515-229-4407.

**Catalogs can be mailed upon request
Videos and current EPD's available at:
www.schneidercattlecompany.com**

We will once again offer a wintering program for any bulls purchased, for details contact Mike Schneider 515-491-6980
